Experience

Designer Jan 2017 to Present

Be Wilder Creative, San Mateo, CA

- + Co-founded an all-women freelance design studio for small businesses and organizations.
- + Developed branding guides and contributed graphic illustration for internal use.
- + Built a responsive website for Be Wilder Creative using Jekyll and HTML/CSS.

UI Designer Feb 2016 to Aug 2016

Tagmonkey, San Francisco, CA

- + Established the visual design of an early-stage startup's inventory-tracking web app.
- + Produced graphical assets and designed the overall layout for the company website.

Visual Designer Jan 2016 to Jul 2016

Mytrus, Inc., Davis, CA

- + Created storyboards for videos, using existing images and illustrating graphics as needed.
- + Mocked up web/mobile app screens and re-designed elements to improve usability.
- + Produced designs for print, such as business cards and decals.

UI Design Intern Jul 2015 to Sep 2015

UstartX, Inc., Menlo Park, CA

- + Designed wireframes & mockups of the user flow for a business travel mobile app.
- + Styled app screens using HTML/CSS on the Ionic framework.
